One edition. One
signature.

DESERT COUTURE

AN ICON. FOUR DECADES.

Created for MANHART's 40th anniversary, the MHXM 900 Dubai Limited Edition combines the monumental presence of the BMW XM with a deliberately light, warm material palette. Porcelain white, exposed carbon and champagne details form a composition limited to ten vehicles.

INDIVIDUALLY NUMBERED

900 HP

THE COLLECTION

NUMBER 03 OF 10.

Each vehicle carries its own edition number. Example 03 combines the light exterior with champagne-coloured signature lines, a multi-piece MANHART carbon widebody kit including wheel spacers and a bespoke interior.

4.4-LITRE V8

POWERTRAIN

900 HP. 1200 NM.

The MANHART MHtronik Powerbox raises system output to 900 hp and torque to 1200 Nm. The 4.4-litre V8 plug-in hybrid is accompanied by the sound of an Akrapovič titanium slip-on exhaust system.

CARBON WIDEBODY KIT

FORM FOLLOWS CHARACTER.

The carbon widebody kit sharpens the silhouette without compromising the proportions of the XM. MANHART lowering springs by H&R position the vehicle precisely over the 24-inch MANHART Concave One from our forged wheel series.

THE SIGNATURE OF THE EDITION.

Champagne-coloured lines trace the carbon, bodywork and edition details. The accents are not decoration; they are the unifying signature of the Dubai Limited Edition.

CHAMPAGNE SIGNATURE

40 YEARS

03 / 10

ONE EDITION. ONE SIGNATURE.

DESERT COUTURE

LUXURY BEGINS IN THE DETAIL.

Ivory leather, warm brown and exposed carbon carry the Desert Couture concept into the cabin. Materials, stitching and technical surfaces form a calm, precise whole.

CRAFTED COMFORT

CONTRAST WITH CONVICTION.

Light seats, warm brown and dark carbon create tension without visual noise. Front and rear compartments follow the same crafted language.

TECHNICAL SPECIFICATION

01 ENGINE & PERFORMANCE

4.4-litre V8 plug-in hybrid (S68)
8-speed M Steptronic
MANHART: 900 hp / 1200 Nm
